

## **Shaklee Regular Cleaning Carpet Solution**

5 Gallon pail of water of warm water

¼ cup Nature Bright

¼ cup Dish Wash Concentrate (powder)

1 TBLS Basic-H

1 TBLS Fresh Laundry Liquid

1 TBLS Softer than Soft

With animals - use ¼ tsp of Basic-G

**You will not need to carpet clean as often as when you use regular cleaners because the non-oil base in Shaklee cleaners will not attract the dirt and dust.**

*We use the above formula on our home carpet which we shampoo 2 times a year and it stays cleaner longer and after 15 years still has "bounce" in the carpet which, with 10 people in the household and a dog is extremely unusual! - Dave & Heidi*
