

Ringworm:

Basic-G straight on her ringworm but does burn at first but does go away. Then you can wash with the Basic-H and put PM Repair.

She has had it on her neck and no side effects.

Take a shower – keep it off. After

Athletes foot and ringworm are in the same family.

Renee Shaw...

Has really fair skin and could not find a sun screen that would NOT burn! She went to SPF 50 and Shaklee is the ONLY one that does not burn her skin!
